December 2024

Dear Bay View Historical Society supporter,

As 2024 comes to a close, we look back with gratitude and appreciation, while also looking forward with excitement and anticipation.

This year, we hosted a successful Annual Dinner, participated in Spaces & Traces and presented a Charmaine Denoyer Exhibit, among other activities in line with our mission to conserve, celebrate and share Bay View's rich heritage.

To further and expand our impact and continue to honor the rich history of Bay View in 2025, we are excited to build upon historical programming at the Beulah Brinton House, pursue partnerships to amplify our mission and continue to invest in our landscaping to ensure it's beauty is maintained. More specifically, we hope to add a trellis on the north side of the backyard, further develop our garden beds and bushes and level the yard. These pursuits and investments will further our ability to increase the quality of events we host at the historic Beulah Brinton House.

These improvements can only be activated through your generous support. Together, we can ensure that the history of Bay View is not only remembered but also celebrated and bestowed to future generations.

On behalf of the Board of Directors, thank you for investing in the Bay View Historical Society.

Drew Formentini

President

Nicola Ciurro

Vice President
